

Committees and Administrative Assignments, 2022-23

Note: This is a list of committee and administrative assignments in the UNL Department of Mathematics for 2022-23. This list does not include any service that faculty do on College, University or national committees, and it does not include any other professional service activities.

Chair	P. Radu
Vice Chair	A. Donsig
Graduate Chair	R. Rebarber
Undergraduate Chair	X. Pérez-Giménez

Alumni Relations Committee: P. Radu (Chair), J. Lewis, T. Marley.

Responsibilities: Strengthen relations with our alumni, produce a department newsletter, work with the NU Foundation on fundraising efforts.

Award Nominations Committee: B. Harbourne (Chair), Y. Lai, J. Lewis, R. Rebarber, M. Walker.

Responsibilities: Make nominations for university professorships, research awards (college, university, and national), and for new fellows in professional societies.

Computer Systems Advisory Committee: M. Brittenham (Chair), J. Brummer, B. Harbourne, A. Larios.

Responsibilities: Oversee the work of our computer support staff, serve as a resource and advise the department on all aspects of use of technology in the classroom and in research, advise the department on issues related to our website, advise the Chair on technology resource needs. New this year: Create a functional, easily updated, Department seminar page.

Diversity, Equity, and Inclusion Committee: J. Lewis (Chair), K. Gonzalez, L. Heath, S. Hermiller, M. Homp, T. Lai, M. Walker. Grad student: Isabel Safarik.

Responsibilities: Make recommendations at the department level for strategies for hiring diverse faculty, recruiting and mentoring minority graduate students, attracting minority undergraduates to mathematics, and new outreach efforts to Lincoln's minority communities.

Executive Committee: P. Radu (Chair), H. Du (Fall only), B. Harbourne, Y. Lai, J. Radcliffe

Responsibilities: Serve as the primary advisory committee to the Chair on all aspects of the Department's business. The Executive Committee conducts annual evaluations of faculty, provides the Chair with advice about faculty salaries, workload policies, faculty hiring, strategic planning, budgetary matters, committee assignments, and other duties as assigned to it by the Chair.

Responsibilities: Advise the Department about all aspects of the graduate program. In particular, administer the graduate program, administer the graduate exams, recruit graduate students, advise about policy issues concerning the graduate program, advise about curricular issues affecting the graduate program, serve as grading appeals committee for all grade appeals in graduate courses, provide recommendations for graduate student awards and scholarships, provide advice on preparing graduate students for the profession.

MAT Committee: W. Smith (Chair), B. Deng, A. Donsig, M. Homp, A. Larios.

Responsibilities: Administer the MAT portion of the graduate program, providing advice to the GAC about this program as appropriate. Arrange for instructors of record for MAT courses taught by members of the graduate faculty.

Math Day Committee: J. Radcliffe (Chair), M. Foss, A. Larios, Z. Norwood. Graduate students: Juliann Geraci, Alex Heitzman, Michael Pieper, Dakota White.

Nebraska Conference for Undergraduate Women in Mathematics Committee: E. Grifo (co-Chair), C. Kelley (co-Chair), A. Bennett, C. Schafhauser. Graduate students: Molly Creager, Abbey Long D'Ovidio, Sara McKnight, Shah Roshan Zamir.

(First-Year Mathematics) Task Force: J. Brummer (Chair), K. Gonzales, B. Harbourne, M. Homp, T. Marley, Z. Norwood, M. Bills. Graduate students: Brittany Johnson, Sam Macdonald.

Responsibilities: Monitor the implementation and the results of the redesign of Math 100A, Math 101, Math 102 and 103, oversee the research project associated to this project, and advise the department on extending the redesign project to other 100-level courses. Create strategies to help reduce equity achievement gaps in our 100 level course.

(Second-Year Mathematics) Task Force: A. Donsig (Chair), A. Biswas, M. Brittenham, B. Deng, L. Heath, Y. Jin, Z. Norwood, X. Pérez-Giménez. Graduate student: Scott Hootman-Ng.

Responsibilities: Review and standardize the syllabi for Math 208, 221, and 314. Particular attention should be given to trimming the 208 syllabus. Find ways to improve large lecture instruction for 208 and 221, and explore teaching 314 in large lectures.

Teaching Advisory Committee: M. Brittenham (Chair), B. Deng, A. Donsig, J. Jeffries, Y. Jin.

Responsibilities: Advise the Department with regard to improving and evaluating teaching. Arrange for teaching mentors for junior faculty, and postdocs, and advance GTAs (on request). Identify nominees for faculty and GTAs for college and university teaching awards. Make recommendations to the Chair for department GTA teaching awards.

Undergraduate Activities Committee: T. Lai (Chair), A. Bennett, A. Seceleanu, T. Pllaha.

Responsibilities: Serve as faculty advisors to the Math Club, Pi Mu Epsilon, the Women's Undergraduate Math Network, and the AWM Student Chapter. Facilitate a sense of community and promote mathematical activities for undergraduate math majors.

Undergraduate Program Committee: X. Pérez-Giménez (Chair), G. Avalos, H. Du, M. Foss, J. Jeffries, A. Seceleanu.

Responsibilities: Advise the Department about all aspects of the undergraduate program. In particular, administer the undergraduate program, advise about undergraduate curriculum and major/minor requirements (including ACE requirements), serve as grading appeals committee for all grade appeals in undergraduate courses, recruit undergraduate majors, provide recommendations about undergraduate awards and scholarships, promote undergraduate research, provide career advice for undergraduates.
