Ways of getting to Nebraska Innovation Campus (NIC) from the Courtyard Hotel

- **Driving:** If you have a car and wish to drive, there is ample parking near the NIC, but you will need to pay using the Passport Parking app (Zone 9900) at a rate of $1.25 per hour, enforced from 8:00 a.m. to 6:00 p.m. Park in the very large “A-LOT” (shown in red) located north of Transformation Drive or curbside (shown in blue). The events take place in the building just below “1” in this map.

- **Uber/Lyft:** Both of these services are available in Lincoln. It should cost under $10 to get to the NIC from the hotel. There will be plenty of people at the banquet who have cars, and we plan on organizing rides back to the hotel at the end of the banquet.

- **Hotel shuttle:** The hotel does operate a free shuttle, but its priority is getting people to and from the airport. You can request to use it to get to the NIC, but unfortunately there is no guarantee it will be available at the time you need to go.

- **Using Bus Route #22:** It is possible to get to the NIC by walking a bit and then using the bus. First, walk from the hotel to the bus stop on campus located on Vine Street just south of Henzlik Hall, by following the dotted line on the map below. This is about a 0.8 mile long walk:

From there, board the #22 bus to the NIC. It operates on a loop, arriving about every 8 minutes and it will take about 4 minutes to get to the NIC from this stop. It costs $1.25 to use the bus, and you can either pay in cash or in advance by using the RideLNK app.

**Warning:** The bus operates starting from 7am, but only until 6pm. So, if you stay for the banquet, the bus is not an option for getting back to the Courtyard. As noted above, we will be organizing rides back to the hotel after the banquet.
• **Walking**: For those seeking a bit of exercise, it’s just under 2 miles to walk the whole way. Here is the route we recommend:

![Map of recommended walking route]

• **BikeLNK**: You can rent a bike one-way using BikeLNK. There is a station one block west of the Courtyard, and you may drop off your bike at a station located one block away from the NIC. If you bike, we recommend using the same route for walking shown above. Go to [https://bikelnk.bcycle.com](https://bikelnk.bcycle.com) for more information.
