

NCUWM Travel Support Request Form

To request student travel support from the Nebraska Conference for Undergraduate Women in Mathematics, the students' faculty contact should attach this form to an email and send it to Deb Klimes at dklimes1@unl.edu before December 1, 2022. Requests are reviewed and awards are made in the order in which they are received until such time as all available funds have been awarded. Know that any awarded travel support funds will be disbursed following attendance of the conference. Please make sure to request support funds early, and in your email use the subject line "NCUWM Travel Support Request" and include your school's name. Please remember that most of a student's expenses during the conference will be covered by the conference.
