

13th Annual Nebraska Conference for Undergraduate Women in Mathematics

NCUWM

A national showcase for research of undergraduate women in the mathematical sciences

PLENARY SPEAKERS

Linda R. Petzold
University of California, Santa Barbara

Fan Chung
University of California, San Diego

MAIN PROGRAM

Talks and posters by undergraduate women about their research

PANEL DISCUSSIONS

Careers Using Mathematics • Choosing a Mathematics Graduate Program

REGISTRATION

Registration closes when capacity is reached (no later than Nov. 24, 2010), so register early.

For undergraduate participants, most local expenses are covered and some travel support is available. You do not need to give a talk to participate.

To register, apply for funding or sign up to give a talk, visit:

www.math.unl.edu/ncuwm
